

Hubbard® College of Administration International Tuition Schedule

The Hubbard College of Administration offers training on the administrative and management technology of L. Ron Hubbard to executives and managers of all levels.

Every day, hundreds of people become more competent in their business through the training at the Hubbard College.

The Hubbard College specializes in the training of business consultants. There are three streamlined levels of training, each of which, done in order, build on the previous level to give the consultant new levels of ability which he or she can apply to their profession. These are listed below:
